

Class 10 Grade Chemistry

Chemistry Lecture Planner

Schedule: Saturday(5:30 am - 6:30 am)

S.No.	Chapter Name	Topic	Lecture No.	Date
1	Essential Chemistry Basics for Class 10	Introduction to Atom Atomic Number and Chemical Symbol Bohr's-Bury Rule Valency and Its Calculation Writing Chemical Formula	1	Jul 18, 2026
2	Chemical Reactions and Equations	Change and Its Types Characteristics of a Chemical Reaction Master the Art of Balancing Chemical Equations	1	Jul 25, 2026
3	Chemical Reactions and Equations	Limitations of Chemical Equations Combination Reaction and Its Types Master Decomposition Reaction and Its Types	2	Aug 01, 2026
4	Chemical Reactions and Equations	Master Displacement Reaction, Double Displacement Reactions and Their Types	3	Aug 08, 2026
5	Chemical Reactions and Equations	Master Redox Reactions and Effects of Oxidation in Daily Life	4	Aug 15, 2026
6	Acids, Bases & Salts	Introduction to Acids and Bases Physical and Chemical Properties of Acids	1	Aug 22, 2026
7	Acids, Bases & Salts	Physical and Chemical Properties of Bases pH and Its Importance in Daily Life	2	Aug 29, 2026
8	Acids, Bases & Salts	Salts and Their Types - Part I Salts and Their Types - Part II	3	Sep 05, 2026
9	Metals & NonMetals	Physical Properties and Magical Facts of Metals and Nonmetals	1	Sep 12, 2026
10	Metals & NonMetals	Chemical Properties of Metals and Non-metals - Part I Chemical Properties of Metals and Non-metals - Part II	2	Sep 19, 2026
11	Metals & NonMetals	Introduction to Ionic Compounds and Properties	3	Sep 26, 2026
12	Metals & NonMetals	Occurrence and Extraction of Metals (Metallurgy) - Part I Occurrence and Extraction of Metals (Metallurgy) - Part II	4	Oct 03, 2026
13	Metals & NonMetals	Corrosion, Its Types and Ways to Prevent It	5	Oct 10, 2026
14	Metals & NonMetals	Important NCERT and NCERT Exemplar Problems	6	Oct 17, 2026
15	Carbon and its Compounds	Introduction to Organic Compounds and Covalent Bonding	1	Oct 24, 2026
16	Carbon and its Compounds	Properties of Covalent Compounds Versatile Nature of Carbon	2	Oct 31, 2026
17	Carbon and its Compounds	Types of Hydrocarbons - Part I Types of Hydrocarbons - Part II	3	Nov 07, 2026
18	Carbon and its Compounds	Trivial Nomenclature and IUPAC Nomenclature	4	Nov 14, 2026

S.No.	Chapter Name	Topic	Lecture No.	Date
19	Carbon and its Compounds	Homologous Series and Isomerism in One Shot	5	Nov 21, 2026
20	Carbon and its Compounds	Chemical Properties of Carbon - I Chemical Properties of Carbon - II	6	Nov 28, 2026
21	Carbon and its Compounds	Important Carbon Compounds - Ethanol and Ethanoic Acid	7	Dec 05, 2026
22	Carbon and its Compounds	Esterification, Saponification and Soap Action	8	Dec 12, 2026
